

**AUBUCHON  
HOMES**

# GOLD STANDARD

SPRING 2022

## FROM RENDERING TO REALITY

A riverfront vision is becoming a reality for homeowners in Cape Coral.

Aubuchon Homes is building this 3,402 square foot custom home along the Caloosahatchee River.

This single-story contemporary home includes 3 bedrooms, 3.5 baths, plus an office/flex space.

The exterior of the home has an organic feel featuring wood and marble true-look tile accents.

Inside, a nearly 20-foot tall entry foyer spills into an open concept Great Room that incorporates living, dining, and kitchen.

A series of rectangular tray ceiling details above enhance the contemporary style of the interior of the home.

This grand space overlooks nearly 30-feet of uninterrupted sliding glass doors that open onto a covered lanai, cabana, and outdoor kitchen.

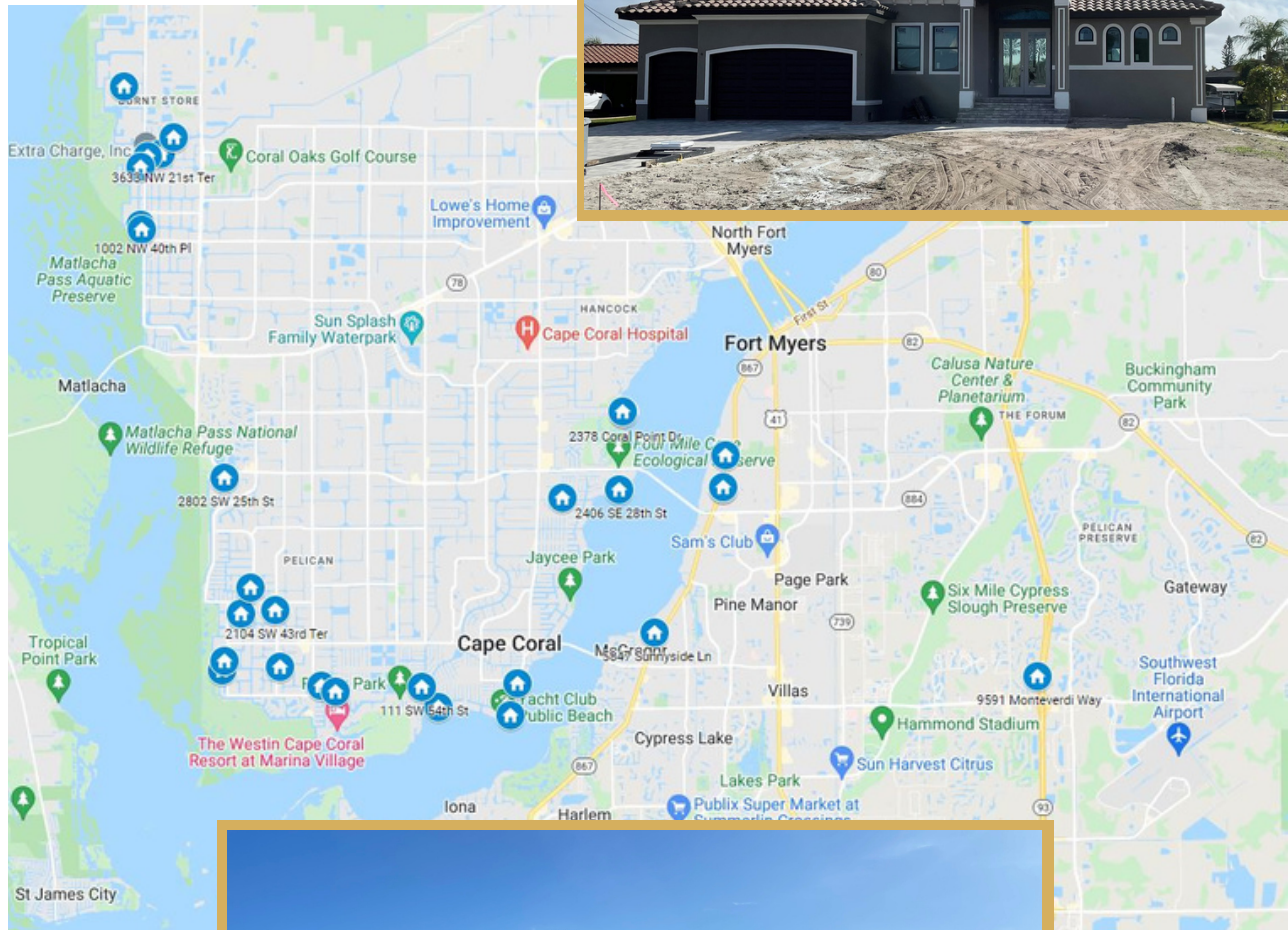

This home encompasses 5,566 total square feet including the 3-car garage.

# AUBUCHON HOMES ACROSS SOUTHWEST FLORIDA

*From Burnt Store Road in Northwest Cape Coral to the Renaissance Community in Fort Myers, Aubuchon Homes has custom homes in several phases of construction across Southwest Florida. The blue dots on the map below represent Aubuchon Homes currently under construction. For a behind the scenes private tour of these homes contact us.*

# FLORIDA HOMEOWNERS RISK LOSING INSURANCE

Omni One Insurance Agency wants to thank you for your business and let you know that you're a valued, integral part of our company!

We also want to give you a brief update on the Florida Insurance Market.

Of late there have been many reports of property and casualty insurance carriers doing the following:

- No Longer writing new business in Florida
- Canceling/Non-Renewal of a large percentage of their business
- Insolvency
- Operating in the 'Red'
- Passing along extremely large increases to their insureds
- 'Sliding' their policies over to a brand new carrier
- Creating an 'exchange' program that could have assessments

It's a bit disconcerting, to say the least.

However, Omni One Insurance Agency has always pursued quality carriers for our client's insurance needs.

Our business model and operations haven't been negatively affected by the number of carriers pulling out of the Florida insurance market.

In fact, we're offering solutions and alternatives.

If you have a friend, family member, or neighbor who's being impacted by the recent changes with *St. Johns, UPC, Lexington, ASI/Progressive, TowerHill Signature, Avatar, Lighthouse, Gulf Stream, or Farm Bureau* make sure to give them our name and number.

Let them know what a great job Omni One Insurance Agency did for you.

Let's ensure that the people close to you are also taken care of when it comes to insurance!

*Omni One Insurance Agency celebrates with an official ribbon-cutting ceremony during the Cape Coral Chamber of Commerce networking night in March. Omni One Insurance Agency is located within the Aubuchon Team of Companies corporate offices located at 4707 SE 9th Place in Cape Coral.*

# 11th ANNUAL BBQ BANDS & BREW

TO BENEFIT LEE BUILDERS CARE

The bands were hot, the brews were cold, and the BBQ was smokin' at the 11th Annual BBQ Bands & Brew fundraiser at Centennial Park. Several of our team members volunteered to serve up suds. 100% of the funds raised during the event went to support the work of Lee Builders Care the non-profit arm of the Lee Building Industry Association.

The Aubuchon Team of Companies and Mortgage1 hosted the Cape Coral Chamber of Commerce networking night in March. The Mardi Gras themed event included fun photo ops, Cajun cuisine, live jazz music, specialty cocktails and mini King Cakes!
