RECORD BREAKING 25TH HELPING HANDS FOR THE HOLIDAYS

In its 25 years, the Aubuchon Team of Companies *Helping Hands for the Holidays* signature event has raised more than \$600,000 for local charitable organizations. This year, thanks to the generosity of our Southwest Florida community, we added another \$60,000 to that total.

Our campaign goal for our 25th year was to raise \$2,500 more than 2022. But we were able to surpass last year's donations by \$7,500!

The Aubuchon Team of Companies presented checks totaling \$60,000 to Builders Care, Make-a-Wish Southern Florida, and Ronald McDonald House Charities SWFL. Each organization has received \$20,000.

From the bottom of our hearts, and on behalf of all three local organizations, we thank you.

Your kindness makes a real difference, and we invite you to continue your invaluable support at our 2024 Helping Hands for the Holidays event on November 25th.

For those who were able to join us in person for the 25th Annual Helping Hands for the Holidays we have links on our website to the professional photography provided during the event.

Special thanks to our Dinner Sponsor Florida Paints, our Photo Booth Sponsor OmniOne Insurance Agency, and our Santa Photo Sponsor Mortgage1.
